

Do Your Ears Hang Low?

Do your ears hang low?
Do they wobble to and fro?
Can you tie them in a knot?
Can you tie them in a bow?
Can you throw them o'er your shoulder
Like a Continental Soldier?
Do your ears hang low?

Do your ears hang high?
Do they reach up to the sky?
Do they wrinkle when they're wet?
Do they straighten when they're dry?
Can you wave them at your neighbor
With an element of flavor?
Do your ears hang high?

Do your ears hang wide?
Do they flap from side to side?
Do they wave in the breeze
From the slightest little sneeze?
Can you soar above the nation
With a feeling of elevation?
Do your ears hang wide?

Do your eyes pop out?
Do they bounce all about?
Can you tie them in a knot?
Can you tie them in a bow?
Can you throw them o'er your shoulder
Like a Continental Soldier?
Do your eyes pop out?

Are your ears too big?
Are they heavy as a pig?
Do they bruise your cerebellum
when you dance an Irish jig?
Can they function as the anchors
for a fleet of oil tankers?
Are your ears too big?

Are your ears real small?
Barely visible at all?
Do they look just like two peanuts
stuck onto a bowling ball?
Can you store them in a thimble
when you're feeling rather nimble?
Are your ears real small?
